

Adding the MST calendar to your Google Calendar

Step one is to make sure you are logged into Google with whatever Google account you would like to add this calendar to.

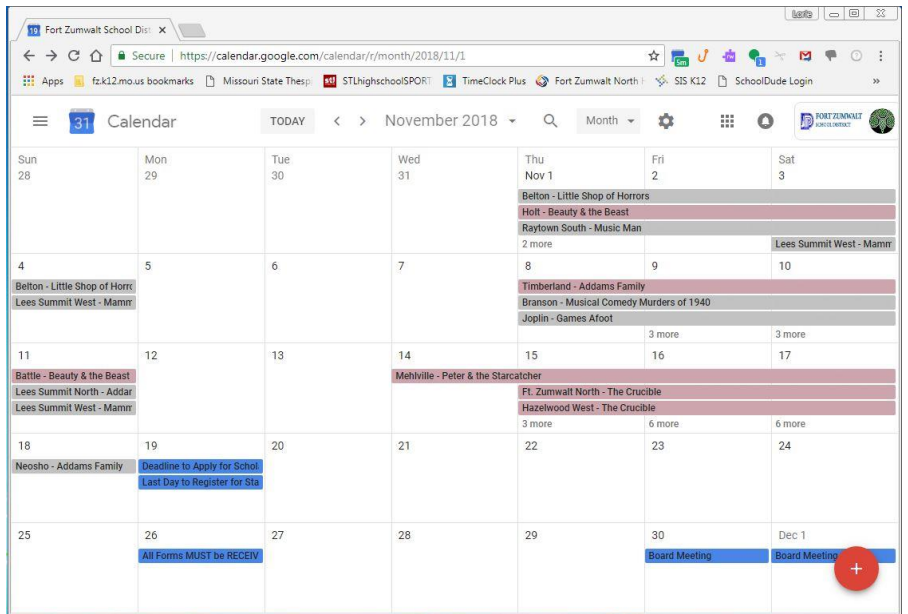

This could be your personal gmail or if your schools email is powered by Google, you can use that too.

Step two is to open your Google calendar. Do this by clicking on the boxes and clicking the calendar icon.

This will open your current calendar in the browser.

Probably looks like this...

Adding the MST calendar to your Google Calendar

If you want to ADD the MST calendars to your calendar, go to the url for the calendar you want (or all of them) and click the add button at the bottom of the screen.

I have included the urls at the end of this document.

Once you click the add button go back to your calendar, and the MST calendar should be listed on the left side.

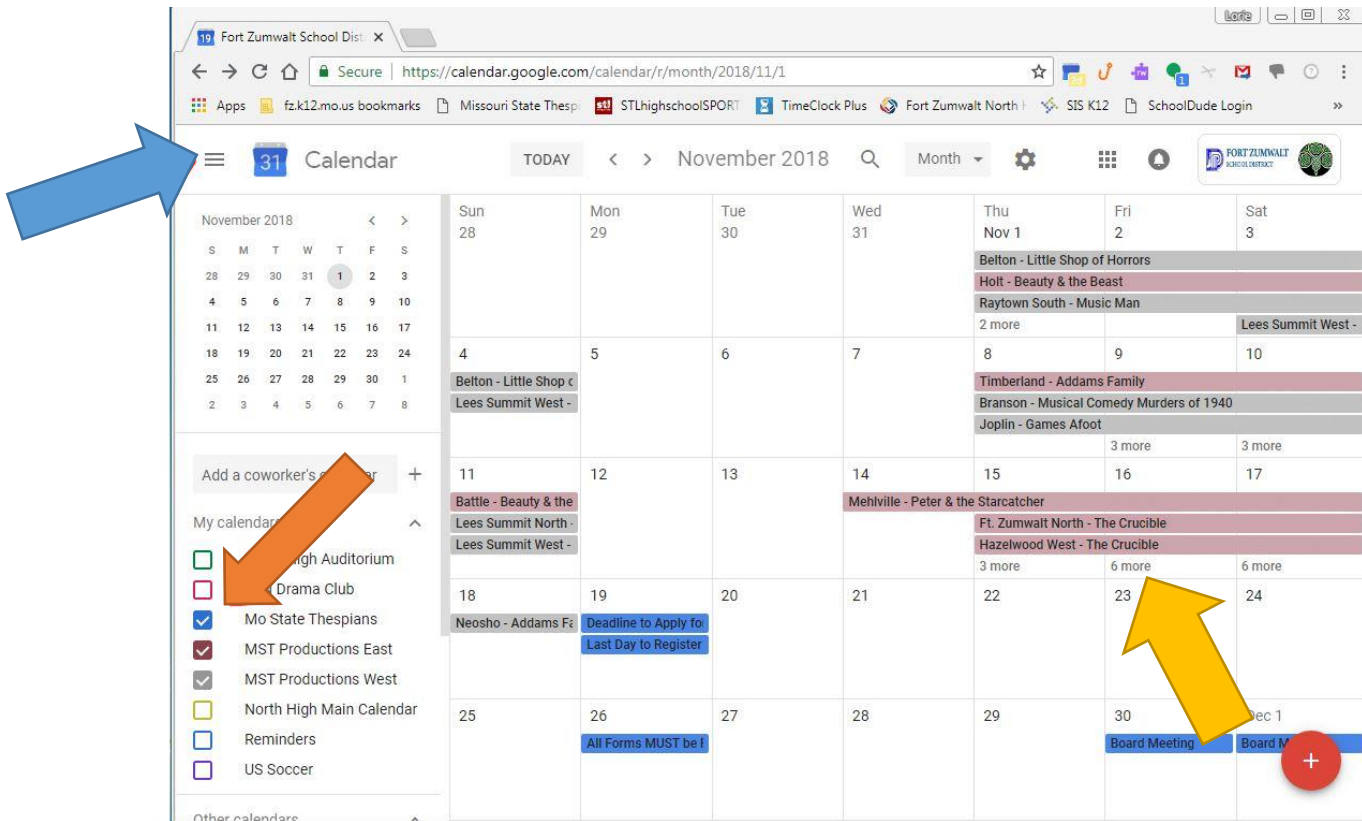

The screenshot shows a web browser window with the URL <https://calendar.google.com/cale...>. The page title is "MST Productions East". The calendar is set to "October 2018" and is displayed in "Month" view. The events are as follows:

Date	Event
October 11	Lindbergh - Winter's Tale
October 18	Waynesville - Absolutely Murder
October 21	Waynesville - At
October 24	Ft. Zumwalt West - 12 Angry Jurors
October 24	Parkway North - Bloody Murder
October 25	Francis Howell Central - Arsenic & Old Lace
October 25	Parkway South - Macbeth/The Trial
November 1	Holt - Beauty & the Beast

At the bottom of the calendar interface, there is a footer that reads "Events shown in time zone: Central Time - Chicago" and a "+ Google Calendar" button. A large yellow arrow points to this button.

If you cannot see the list of calendars, click the 3 lines in the upper left corner.

You can click the checkmarks to show or hide the items from view.

Some days have more events than can show on the screen. If you click where it says “6 more” it will show you all the events for the day.

Please use these URLs to add these calendars, or just keep them as a reference.
