

Administrator of the Year Award - Adjudication Ballot

Please use this to take notes on and score each candidate. The definition of outstanding is subjective, so remember that an Outstanding Administrator is one who supports and goes above and beyond for a theatre education program in the State of Missouri. Read over the letters of recommendations and choose who would be the best representation of Missouri Thespians as an Outstanding Administrator.

Nominee: _____

1 = Not exhibited / 3 = A Good example / 5 = Several Good to Outstanding examples

Area	Notes/Examples	Score 1-5
Interactions with students are positive, caring, helpful, and instructive		
Supports the program in a way that allows the educator to focus on other areas and is self-directed		
Finds ways to support the theatre program that are unique and helps students see the importance of the program/theatre		
Maintains positive relationships with staff in the program		
Advocates for the program within the community at large, the district and the school		

Adjudicator: _____

Total Points: _____
