

Judith Rethwisch Educator of the Year - Adjudication Ballot

Please use this to take notes on and score each candidate. The definition of outstanding is subjective, so remember that an Outstanding Educator is one who goes above and beyond for their theatre education program in areas of educating, directing, and volunteer work in the State of Missouri. Read over the letters of recommendations and choose who would be the best representation of Missouri Thespians as an outstanding educator.

Nominee: _____

1 = Not exhibited / 3 = A Good example / 5 = Several Good to Outstanding examples
